B Reading Comprehension

2) Read the following passage, then answer the questions:

Decent Life or '**Haya Karima**' is the motto of the initiative launched recently as a national project aiming to improve the quality of life for the people in the Egyptian countryside, and raise the efficiency of the services provided to **them**. Most villages in . Egypt suffer shortage in some development services and facilities such as clean water J networks, sanitation and gas, electricity, schools and hospitals.

The initiative deals with developing agricultural projects in various areas within Egypt. It provides marketing and investing solutions to these lands in addition to all relevant businesses **associated** with the project including the division of lands and proposing it to investors, small farmers and the youths for the cultivation and development of these lands. The aim is to achieve sustainable development in this area through developing regional communities and attracting the Egyptian investors and other , small farmers and the youths to live and work in it.

Regarding the countryside development, Egypt seeks to treat the wastewater which is dumped into sea or lakes, with the treated water to be reused in new projects across Sinai. Thus a total of 100,000 feddans will be ready for agricultural use in Sinai using the treated water.

Choose the correct answer from a, b, c or d:
